

Zwei CEGIL-Stipendiatinnen zu Gast in der Frankreich-Bibliothek

The Frankreich-Bibliothek

“The library is modern, well-stocked and complemented by the members of staff, who are always ready to help”

**SINA BLASCHKE, TH KÖLN
UNIVERSITY OF APPLIED SCIENCES**

The Frankreich-Bibliothek, established in 1990, is the leading information and documentation facility in Germany on contemporary France and Franco-German relations. The library collects literature and press articles on

- French politics, economy and society since 1944
- Franco-German relations in their entirety
- Relations between France and other countries
